One Child Nation premieres on *Independent Lens* March 30, tune in or stream, at 10/9c ([check local listings](#)) on PBS.

China's one-child policy forever changed the lives of mothers and children. Inspired by the birth of her first child, filmmaker Nanfu Wang returns to China to speak with her mother, brother, and others and explore the ripple effect of this devastating social experiment. At its core, One Child Nation is a riveting personal story that ultimately details one shocking human rights violations after another and forces us all to reckon with the consequences of blind obedience.
