Represent premieres on *Independent Lens* Monday, October 26. Tune in or stream, at 10/9c on PBS.

Leading up to the 2018 midterm elections in the heart of the Midwest, *Represent* follows three women as they take on entrenched local political networks in their fight to reshape politics on their own terms. Through the nuances of local politics, *Represent* scrutinizes the systems that have failed historically underrepresented candidates, and bears witness to unseen leaders striving at the heart of our “smallest” elections.
