The People Vs. Agent Orange premieres on *Independent Lens* Monday, June 28. Watch on PBS and the PBS Video app starting at 10/9c.

The dioxins present in Agent Orange, the herbicide used in the Vietnam War, continue to leave a legacy of death, deformity, and disability for generations. This gripping documentary includes investigative documents and rare interviews with whistleblowers, researchers, and the victims who have been exposed to the poison in both Vietnam and the United States.
